

# The Anime Queen

By Ayva Prophet

Once upon a time, there was a 14 year old princess named Ayva and her three siblings, Cadence, Isaiah, and Liam. Ayva was in the middle of watching *My Hero Academia* and Liam was trying to annoy her. She asked Liam to please be quiet, so Liam went quiet and started watching the anime with her. Isaiah went to the store and got Ayva a frappuccino, which wasn't the best idea as she went bouncing off the walls. Ayva went out to town, and found an amazingly cute prince named Jack. They shared much in common like loving anime. "This is unacceptable!" Her sister, Cadence, exclaimed, while she was in the middle of watching *Adventure Time*. Then, 4 years later, she got married to Prince Jack of Kittenville. They spent time in the flower garden reenacting anime scenes. More specifically, *Fullmetal Alchemist: Brotherhood*. Her brother, the now King of Pyromania, Isaiah interrupted the reenactment by shouting "Anime sucks!" Then Jack shouted "No it doesn't!" Then Isaiah's wife, Hannah, stopped him and dragged him back by the ear. Liam ended up being a loner, Cadence married the Prince of Darkness Ozzy, Isaiah had two children with Hannah in Pyromania, and Ayva and Jack had boy and girl twins.
