## Chapter 1 – Brittany

Rebecca is a 15 year old girl who loves school. However, one day a girl named Brittany changed everything. Rebecca went to school like any other day, but when she arrived at school Brittany yelled "REBECCA GET OVER HERE NOW!" Rebecca thought, "Could it be a teacher?" Rebecca wondered all day. When she got home she was still thinking who that could've been... then she thought Brittany because she is always mean to her.

When Rebecca got to school the next day and seen Brittany, she said "I know it was you Brittany. You yelled at me yesterday to get over here now!" Then the Principal came over. "What is going on over here girls?" he questioned in frustration. "Yesterday Brittany yelled, Rebecca get over here now!" Rebecca declared. "No I didn't!" replied Brittany. "YES YOU DID!" screamed Rebecca. "Now-now girls," the Principal wanted to help, so he continued to say "one of you is not telling the truth." "It's Brittany!" shouted Rebecca. "No it's not! It's YOU!" Brittany shouted back! The Principal was tired of the arguing. "Brittany, go to detention." "But...But" whined Brittany. "No buts. Just go. You too, Rebecca." said the Principal. "But Brittany is the mean one here!" Rebecca added. "What did I say!" the Principal pointed his finger, and demanded the girls to go to detention. Rebecca groaned.

## Chapter 2 – Detention

(Ring) "Bye" said Rebecca. "Where are you going?" asked Rebecca's friend Emma. "I have to go to detention" complained Rebecca. "WHAT?" Emma was surprised. "I know" Rebecca groaned. "Bye then" Said Emma. "Bye" replied Rebecca. Then Rebecca and Brittany walked to Mrs. Binder's room. They looked at each other and Brittany said "Hi." Rebecca ignored her then a minute later replied, "hi meanie" in a rude voice. "SHHH, no talking this is detention not recess!" said Mrs. Binder with anger. "OK" said both Rebecca and Brittany. "I said be quiet" Mrs. Binder reminded them. "Ok" Rebecca and Brittany whispered. Then they worked and worked until finally they got to go home. When Rebecca got home her mom asked "where were you Rebecca?" "I was at detention" replied Rebecca. She then walked slowly to her bed.

## Chapter 3 – The Next Day

The next day when Rebecca got to school everyone was laughing at her. Then Brittany came over and said, "Hi Rebecca" in a mean way. "I know what you did Brittany, you told everyone that I went to detention. Why would you do that? You really hurt my feelings!" said Rebecca sadly. But before Brittany could say anything Rebecca ran home crying. When Rebecca got home 30 minutes later, she ran to her room and plopped on her bed. She cried and cried until... "AH-HA" she had an idea. "I will tell everyone at school that Brittany went to detention!"

To be continued...
